

August 2019

CGM Group are delighted to be working with Suffolk Housing to help your grounds look great. During August we will be doing the following work:

- Grass cutting (fortnightly)
- Prune shrub beds
- Rake shrub beds
- Litter picking
- Sweeping
- Weed shrub beds

Big Butterfly Count

Spotted any butterflies recently?

If you have a spare 15 minutes why not take part in the big butterfly count. You need to choose a bright (preferably sunny) day, and have until 11th August to take part. You should log your sightings by the end of August.

For information go to www.bigbutterflycount.org.

Happy watching!
